

**Our Aim is to be the UK's leading Surveying Services Company.
We believe that our values are key to our success.**

Happy People

We care about the happiness and wellbeing of everyone who works with us and for us.

Happy Customers

We are proud of the work we do and the great reputation we have earned.

Working Safely

We Will Work Safely Or Not At All. That's it. No compromises.

Being Successful

We must be profitable to invest in and grow our business, but we will not pursue profit at the expense of our values.

Our values are entwined in everything we do and the way we work

Our Vision:

To be the UK's largest surveying services company

The Glue:

Our values

Developing our people to achieve success; organization talent reviews and personal development planning

The Foundation:

Rhythmic management meetings; daily operations reviews, monthly P&L reviews, monthly action reviews

Business decisions and prioritization based on 80:20
